

Appendix B

List of Preparers

This document was prepared by Federal Highway Administration, Texas Department of Transportation and Alamo Regional Mobility Authority with assistance from Jacobs Engineering Group Inc., AmaTerra Environmental, Inc., Hicks & Company, Smith & Associates Consulting, LLC, Ximenes & Associates, Inc., and Zara Environmental, LLC.

1.1 FEDERAL HIGHWAY ADMINISTRATION

Salvador Deocampo

District Engineer

Justin Ham, P.E.

Urban Programs Engineer

Tom Bruechert

Environmental Team Leader

Greg Wood

Environmental and Transportation Planning Coordinator

Ted West, P.E.

Major Project Coordinator

Theresa Claxton

Planning & Program Management – Team Leader

1.2 TEXAS DEPARTMENT OF TRANSPORTATION

Doug Booher

Strategic Projects Section Director, Environmental Affairs Division

Twenty-two years of experience in environmental studies and transportation planning including NEPA compliance, permitting, project management and program development.

Vicki Crnich, P.G.

Project Delivery Management Section, Environmental Affairs Division

Twenty-three years of experience with environmental projects including remediation, NEPA compliance, project management including eight years in the transportation industry.

1.3 ALAMO REGIONAL MOBILITY AUTHORITY

Terry M. Brechtel

Executive Director

Serves as Executive Director of the Alamo Regional Mobility Authority, the local entity responsible for improving mobility by accelerating transportation projects to deliver congestion relief and enhance the economic vitality of the region.

Lisa G. Adelman, J.D.

Legal Counsel

Licensed in 1992 to practice in Texas. Specialty in Public Finance.

1 **Leroy D. Alloway**
2 Director of Community Development
3 Six years experience in NEPA and NEPA public engagement, over ten years experience
4 in community involvement and governmental policy, International Association of Public
5 Participation Certificate program in Public Participation.

6 **Patrick L. Irwin, P.E.**
7 Director of Engineering and Operations
8 Over thirty years experience in transportation design, implementation, management,
9 ITS operations, and safety operations.

10 **Michelle Martinez**
11 Public Information Manager
12 Four years of experience in NEPA public involvement and engagement, International
13 Association of Public Participation Certificate program in Public Participation.

14 **1.4 JACOBS ENGINEERING GROUP INC.**

15 **Jimmy Robertson, AICP**
16 Project Manager
17 Project Management - Project Manager
18 Twenty-six years of experience in the fields of transportation planning, project
19 development and NEPA compliance.

20 **Greg Creamer, P.E.**
21 Manager of Operations
22 Project Management - Deputy Project Manager
23 Twenty-five years of experience in program and project management in the design and
24 construction of major transportation projects, including highways, bridges, airports, and
25 rail facilities.

26 **Tricia Bruck**
27 Environmental Planning Project Manager
28 Project Management - Assistant Project Manager
29 Ten years of experience in environmental planning/permitting and NEPA compliance
30 for infrastructure projects.

31 **Marc Williams, P.E.**
32 Manager of Projects, Central Texas Transportation
33 Corridor Planning
34 Twenty years of experience in transportation engineering and planning and NEPA
35 activities across the United States.

36 **Michael Sexton, P.E., AICP**
37 Transportation Planning Engineer
38 Corridor Planning – Task Manager
39 Thirty-two years of experience in all modes of transportation throughout the United
40 States and overseas.

41 **Andrew Cooper**
42 Environmental Planning Project Manager
43 Environmental Studies & Documentation – Task Manager
44 Nineteen years of experience in NEPA management and documentation.

1 **Stephanie Messerli, P.E., AICP**

2 Manager of Engineering - Roadway
3 Schematic Development – Task Manager and Corridor Planning
4 Eighteen years of experience in transportation planning and design.

5 **Tom Allemand**

6 Environmental Planner
7 Environmental Studies & Documentation
8 Twelve years of experience in the environmental field and over 2 years as
9 Environmental Planner.

10 **Larry M. Allen**

11 Environmental Scientist/Project Manager
12 Environmental Studies & Documentation
13 Resource concerns baseline development and Public Involvement on the 281 EIS.
14 Thirty-eight years of experience in the natural resources fields of soil, water, air, plants,
15 and animals including planning, project development, NEPA, and regulatory
16 compliance.

17 **Jeff Anderson**

18 Senior Environmental Planner
19 Environmental Studies & Documentation
20 Twenty-seven years of experience in highway noise and air quality analyses.

21 **Jeff Casbeer**

22 Senior Environmental Project Manager
23 Environmental Studies & Documentation
24 Over twenty years of experience managing the development and approval of NEPA
25 documentation for transportation improvement projects.

26 **Jesus A. Moulinet, AICP**

27 Senior Project Manager, Urban Design and Planning
28 Environmental Studies & Documentation and Public Involvement
29 Thirty-seven years of experience in community planning and design including
30 environmental planning, analysis and State and Federal environmental policy
31 implementation and compliance.

32 **Kate Clark, AICP**

33 Urban Planner
34 Environmental Studies & Documentation
35 Six years of experience in site planning, design and public involvement.

36 **Ryan Ingram**

37 Environmental Scientist
38 Environmental Studies & Documentation
39 Four years of environmental permitting and GIS experience.

40 **Craig Rollins**

41 Sr. Environmental Planner
42 Environmental Studies & Documentation
43 Eighteen years in the environmental field in all aspects of NEPA investigations and
44 compliance.
45

**1 Priya Srinivasan****2 Environmental Engineer****3 Environmental Studies & Documentation****4 Four years of experience in air permitting and regulatory review for chemical plants.****5 Sandra J. **1 Nishant Kukadia, AICP**

Transportation Planner

Corridor Planning

Nine years of experience in traffic impact analysis and transportation planning.

5 Sunghoon Lee

Transportation Engineer

Corridor Planning

Four years working with traffic engineering and environmental planning projects.

9 Christopher Primus, PTP

Senior Transportation Planner

Corridor Planning

Nineteen years of experience in transportation planning; extensive experience producing travel forecasts for NEPA projects.

14 Jack Allen

Environmental Program Manager

Technical Review

Twenty-seven years of experience in the fields of transportation planning, project development, and NEPA compliance.

19 Robb H. Fishman, AICP/REM

Environmental Program Manager

Technical Review

Twenty-six years of direct experience in managing NEPA studies and leading multi-disciplinary environmental teams.

24 A. Henry Pearson, P.E.

Engineering Project Manager

Technical Review

Fifty-seven years of experience in highway design and management.

1.5 AMATERRA ENVIRONMENTAL, INC**29 Rachel Feit**

Senior Archeologist

Environmental Studies & Documentation

Sixteen years of experience in archeological investigations.

33 Emory Worrell

Archeological Technician

Environmental Studies & Documentation

Eleven years of experience working as a field technician in Texas.

37 Joel Butler

GIS Manager / Archeology Principal Investigator

Environmental Studies & Documentation

Six years of experience working with mapping systems and graphics.

1 **Nick Trierweiler, Ph.D.**
2 Registered Professional Archeologist
3 Environmental Studies & Documentation
4 Over thirty years of experience in cultural resource management and Section 106
5 coordination.

6 **Kurt Korfmacher**
7 Architectural Historian
8 Environmental Studies & Documentation
9 Eight years of experience conducting historic resources investigations.

10 **Tom Eisenhour, RA**
11 Historical Architect
12 Environmental Studies & Documentation
13 Over twenty years of experience in cultural resource management and Section 106
14 coordination.

15 **1.6 HICKS & COMPANY**

16 **Tom Van Zandt**
17 Principal
18 Environmental Studies & Documentation and Technical Review
19 Over twenty-five years of experience working on environmental impact statements for
20 major infrastructure project and extensive experience with environmental impact
21 assessments, adaptive management in the design-build process, implementing citizen
22 and collaborative expert workshops, and legal expertise on NEPA and the Endangered
23 Species Act.

24 **Jason Buntz**
25 NEPA Specialist
26 Environmental Studies & Documentation
27 Thirteen years of experience in environmental compliance management and NEPA
28 documentation.

29 **Peter Van Zandt**
30 Environmental Studies
31 Environmental Studies & Documentation and Technical Review
32 Experience in conducting community impact research, environmental data collection,
33 and air quality sampling field investigations.

34 **Mason Miller**
35 Senior Archeologist
36 Environmental Studies & Documentation and Technical Review
37 Eleven years of experience performing terrestrial and nautical archeology and historical
38 research, including regulatory coordination and participation in all stages of cultural
39 resources investigations.

40 **Hannah Vaughan**
41 Senior Architectural Historian
42 Environmental Studies & Documentation
43 Nine years of experience in cultural resource management and Section 106 coordination.
44

**Robert F. Huch, P.G., CPESC**

Air Quality Specialist

Environmental Studies & Documentation

Five years of experience preparing NEPA-level air quality analyses and TxDOT pre-certified in Air Quality Analysis (TxDOT Category of Work 2.2.1)

Andrew Poth

GIS Manager

Environmental Studies & Documentation

Eighteen years of experience in GIS analysis and cartographic production.

David Fowler

GIS Analyst

Environmental Studies & Documentation

Two years of experience in GIS analysis and graphics.

Jerod McClelland

GIS Analyst

Environmental Studies & Documentation

Six years of GIS / digital mapping expertise and spatial data management.

John J. Kuhl

Ecology Program Manager

Environmental Studies & Documentation

Twenty-three years of experience in project management, ecological and threatened and endangered species baseline studies and permitting, wetlands/CWA 404 field studies and permitting and NEPA document preparation. US 281 role included Threatened and Endangered task leader (field investigations and document preparation) and indirect and cumulative impacts support for ecological resources.

Samantha Walden Champion

Staff Archeologist and Assistant Project Manager

Environmental Studies & Documentation

Three years experience in prehistoric archeology (laboratory analysis, research, report production) with two and a half years experience in cultural resource management (historic and prehistoric archeology); experience in NEPA document preparation, Section 106 compliance, and federal and state agency coordination.

Edward B. Rashin

Environmental Scientist

Environmental Studies & Documentation

Twenty-nine years of experience in environmental analysis and scientific investigations, environmental compliance management, water pollution control and natural resources management.

Roy Frye

Certified Wildlife Biologist and Senior Project Manager

Environmental Studies & Documentation

Thirty-eight years of experience in the field of wildlife ecology, conservation, and management; water resources planning, land acquisition, habitat evaluation and mitigation planning in Texas; extensive experience in environmental document preparation, review, and associated inter-agency coordination.

1.7 SMITH & ASSOCIATES CONSULTING, LLC

Tim Sueltenfuss

Public Involvement Consultant

Public Outreach & Response – Task Manager

Eighteen years of experience in the fields of public policy, public involvement, and conflict resolution.

Leigh-Ann Fabianke

Public Involvement Consultant

Public Outreach & Response

Eleven years of experience working in strategic communications and public participation.

Kristen Villarreal

Public Involvement Consultant

Public Outreach & Response

Four years of experience working in strategic communications and marketing.

Lori Ivy

Public Involvement Consultant

Public Outreach & Response

Sixteen years of experience working in strategic communications and marketing.

1.8 XIMENES & ASSOCIATES, INC.

Linda Ximenes

Public Involvement Consultant

Public Involvement – Task Manager

Over twenty-five years of experience in designing and facilitating public participation processes that inform and involve stakeholders and impacted communities.

Sonia Jimenez

Public Involvement Consultant

Public Involvement

Ten years of experience in planning public meetings and facilitating groups to gather input and feedback in decision-making processes.

1.9 ZARA ENVIRONMENTAL, LLC

Peter Sprouse

Karst Biologist

Environmental Studies & Documentation

Holds a USFWS permit number TE014168-0 for karst invertebrates, and has been involved in endangered karst species studies since 1990.

Krista McDermid

Biologist

Environmental Studies & Documentation

Holds a USFWS permit number TE192229-0, karst invertebrates, and has been involved in endangered karst species studies since 2007.

1 **Brain D. Cowan, P.G.**

2 Senior Hydrogeologist

3 Environmental Studies & Documentation

4 State of Texas licensed geologist (No. 11180) and has studied karst hydrogeology since
5 2006.

6 **Marcus O. Gary, Ph.D.**

7 Senior Hydrogeologist

8 Environmental Studies & Documentation

9 State of Texas licensed geologist (No. 10386) and has studied karst hydrogeology since
10 1999.
